The 2020 Minnesota Economic Contribution of Agriculture and Forestry Study was completed in 2020 by Decision Innovation Solutions (DIS) of Urbandale, Iowa. Primary data sources include: 1) 2017 Census of Agriculture, 2) 2019 USDA crop survey data, and 3) 2018 IMPLAN data, which was adjusted to 2020 dollars.

For more information on methodology and results please connect with DIS (info@decision-innovation.com; 515.639.2900). This study was commissioned by AgriGrowth in partnership with 25 other Minnesota agricultural organizations listed on page 2 of the study, which can be found here: <https://tinyurl.com/MN-Ag-Forestry>
